Program Completion Requirements:
Educational Leadership Modified Certificate Program (Online)

Modified program students complete 27 credit hours and must pass all subsections of the FELE. All classes are offered online. During the first semester of enrollment, the student will be assigned an advisor. The advisor will work with the student to schedule classes and work toward completing the Program of Study. Each course must be completed with a B or better.

Required Courses

- **EDA5508 Teacher Leadership Development (3)**
  This course is based on the increasingly important role of a school leader in identifying and developing teacher leaders in K-12 schools. School leaders need to be able to work with teacher teams effectively as well as cultivate the talents of teachers as leaders in various aspects of school life. This course explores the dynamics of teacher leadership development in schools today and how school leaders can be prepared to cultivate this important resource.

- **EDA5507 Planning Effective Instruction (3)**
  This course explores the components and relationships that make up effective classroom instruction. Working on the assumption that effective classroom instruction is a necessary foundation for student achievement, school leaders need to know how to coach and monitor teachers use of effective instructional practices.

- **EDA5423 Data Driven School Improvement (3)**
  This course builds expertise in using data for a variety of school-improvement purposes, including instructional decision-making in grades K-12. Collaborative action-research skills are developed to solve school-based problems.

- **EDA5219 Resource Management for Educational Leaders (3)**
  This course examines public education as an economic institution, emphasizing the relationship between the purposes of schooling and the human and fiscal-resource allocation role of the principal. The principal's role in selected strategies and techniques in critical thinking and problem solving as applied to school improvement are presented. Procedures involved in school funding are examined, as well as the role of the principal in implementing statutes, audits, procedures, and policies. Recruitment, selection, retention of school personnel, and collective bargaining are examined as they relate to state and federal law.

- **EDA5191 Leadership for Diversity (3)**
  This course integrates DOE requirements of ESOL Standards for School Administrators with a) an understanding of the Consent Decree, accountability and equity issues related to LEP students; b) an understanding of compliance with federal and state regulations; and c) an understanding of cultural proficiency in the school environment.
