Graduate Student Development Session: Grant Writing
Tips for Navigating the Giant Hairball

Thursday
March 24
1:00 – 2:15 pm
G158 Stone Building

Hosted by: Dr. Toby Park
Featuring COE Office of Research Members:
Jennifer L. Ramsey, Grants Manager
Terra W. Bradley, Editor
Alison L. Moore, Graduate Assistant

The purpose of this presentation will be to introduce attendees, specifically graduate education students, to various facets of external research funding. Particular emphasis will be devoted to:

• Tools and services for locating and identifying appropriate funding sources,
• Tips for drafting a successful proposal,
• Strategies for improving chances of securing external funding, and
• An overview of what to keep in mind when outlining a budget.
