

University Representative EVALUATION FORM

As the University representative of a doctoral committee, you are asked to evaluate the quality of the proposed research. This process has replaced the review of prospectus document by the Office of the Dean. Thus, you are asked to take this responsibility seriously and provide your candid ratings and remarks. When you have completed your rating, please forward the completed form to the **Office of Academic Services and Intern Support, College of Education, 2301 Stone Building, MC 4460** or by email to the **College of Education Co-director for Graduate Programs (lbeverly@fsu.edu)**.
