Join your fellow students on Wednesday, September 25 for a student appreciation event hosted by the COE Student Leadership Council (SLC). Come grab a healthy snack between classes and learn more about the SLC. T-shirts will also be available on a first-come, first served basis to students with their FSU ID card.

We’ll also have the Motivation Wall on the ground floor of STB, which will allow you to post a positive message to your peers and also take a positive message with you when you go.

See you there!
